Introducing Angela

It is with great excitement that we can announce that Angela will start at Broome Park in early September as our new Activity Co-ordinator.

Despite being a newcomer to the residential care environment, Angela has a wealth of experience to call upon and this together with her seemingly limitless enthusiasm will we're sure, stand her in good stead.

She has already commenced her induction and this will continue through the whole of the month so please do feel free to introduce yourself to her as she familiarises herself with our Organisation.

THE FRIENDS OF BROOME PARK

Registered Charity 1062128

Join us

The Friends of Broome Park is a registered Charity that helps to provide extra comfort and friendship to the residents of Broome Park Nursing Home. The committee meet every 2 months, at Broome Park, to discuss requests for items or to arrange fund raising activities. Some big past fundraising projects include the purchase of our ambulance & our disabled access vehicle 'Broomerang', The Sensory Garden, Music Therapy sessions for all and the disabled access path in the grounds. We also support smaller projects too such as the purchase of a Birthday Present, a Christmas present and an Easter Egg for each resident and the funding of a great deal of entertainment & outings.

If you feel able to give the time or would like to know more about the Friends, please come to our next meeting on:

Wednesday 5th September 2018 @ 11.30am in The Conference Room, Main House

We are delighted to warmly welcome our new residents Peter and Sheila to Stable Cottage and Eileen to the Main House
