October 2018 – Issue 96

Farewell from Mr & Mrs Choy

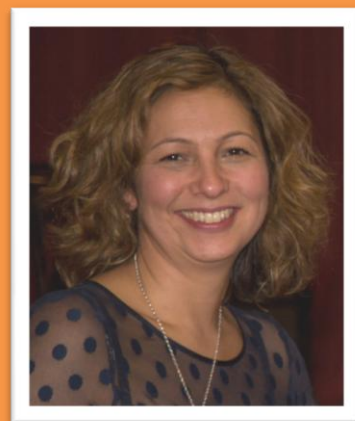

After 25 years of running the business, it is now time for us to retire. As part of our retirement plan, we have sold Broome Park Nursing Home to Walden Care. Please be assured that this has not been an easy decision for us to make and to come to terms with; after all, Broome Park has and will continue to be in our hearts and lives for a very long time. We want to say a big thank you to you all for the support that you have given us for the last quarter of a century – we certainly could not have managed without you.

We wish you all well and in conclusion, we love you all!

Mike and Muriel

And it's goodbye from me...

It has been my pleasure and my privilege to be part of this special place, known as Broome Park for the past 15 years. In this time there have been births, deaths, marriages, arrivals, departures, celebrations and achievements bringing both tears and laughter.

I have watched magic happen, and you have taught me what "committed to caring" actually looks and feels like.

My grateful thanks extends to the outstanding staff, the wonderful residents, their fabulous families, visitors and the tireless supporters of Broome Park in the wider community.

As Winnie the Pooh said, "How lucky I am to have something that makes saying goodbye so hard!"

With Love,
Beccy x

Picnic in the Park

Gladly, the weather was kind to us, and allowed us to continue with our annual Picnic in the Park. We were lucky enough to have the pleasure of the New London Concert Band performing for us, with their final song being the famous YMCA, which brought everyone together for a final dance. We managed to raise £232.00 for 'The Friends of Broome Park'.
