

BROOME PARK NEWS

December 2018 – Issue 98

Hello from Allison

I am Ali Jones, the new Regional Director/ Manager of Broome Park. I would like to introduce myself for those of you I have not met yet.

It is a privilege to be joining the fantastic team at Broome Park and to be able to meet and work with some very special people.

I have been working in the care industry for 10 years now. I started in the care setting as a Home Administrator working for Bupa, after a very short time I knew care was my future career. I retrained during my time with Bupa, working in every department to get the experience to become a Home Manager. My first home manager position was in a 30 bedded nursing home in Guildford.

I have managed 5 care homes, all of which required improvement with CQC and with team work and working in partnership with residents and relatives, have turned the homes around.

My most recent role was a Regional Support Manager which meant supporting 8 Home Managers/Homes to achieve the standards required by CQC. The best part of my role is walking the floor and interacting with residents, relatives and staff, getting feedback and ideas on how we make the residents and staff's daily lives easier and happier which is what I will be concentrating on at Broome Park.

I have incredible parents, a partner who supports my crazy hours at work, 2 fantastic children and the light of my life, a granddaughter, without their support and encouragement through the years I wouldn't have been able to achieve what I have.

I would like to meet with as many of you as possible over the next few weeks and would encourage and welcome you to call me, email me or come and see me with ideas, niggles or just for a chat when you can.

You can always contact me by email at allison@waldencare.com or ask one of the team to pass a message onto me and I will come and see you or call you.

As soon as I have a work mobile number (by the end of next week) I will cascade it to you all. Please do not hesitate to call me if you need to chat at any time.

I look forward to a long and successful relationship with you and your loved ones to make everyday life fulfilling and happy.

Ali

Join us for our Exclusive Cheese & Wine Evening...

We are hosting a Cheese & Wine Evening on Thursday 6th December from 6:30pm. All relatives, residents and members of staff are welcome to join us for this social event. There will be Cheese tasting, Wine tasting, Music, and lots of fun! We hope to see you there!

A BIG Thank you!

The Daughter and Grandson of one of our residents here at Broome Park boldly ran the Henley Half Marathon in aid of our charity, The Friends of Broome Park.

Kirstie Donald and her Son, Archie are the courageous pair who tackled a whopping 13 miles to raise money for our charity, to have the luxury of spoiling our residents with Birthday presents, Christmas gifts, and all round improving the facilities for our residents here at Broome Park.

Without relatives like Kirstie and Archie, Broome Park would not be the same. So we would like to thank them both for their dedication to not only their relative, but for the other residents at Broome Park and to raise awareness of their help!

This month's winner of the 100 Club

is...

Janet Horton!
