Alternative Christmas Tree

The alternative Christmas tree is an annual event where St Michaels Church, Betchworth, requests that the local community creates a unique 'alternative Christmas Tree' in order to decorate the Church. Our alternative Christmas tree will be displayed in the Church from Saturday 1st December from 10am-4pm, and Sunday 2nd December from 12pm-4pm. So please pop in and vote for ours!

Horticultural Group Show Winners!

Broome Park is delighted to announce that with the help of our activities co-ordinator, Angela, along with our residents, that we are the proud winners of the Horticultural competition.

The task was to create a hand-crafted item made of clay, wood, glass, or stone. With Angela's assistance, a small group of residents created a variety of 'sensory sticks' made of wood, which appealed to hearing, texture, and touch. The residents completed this by adding additional elements such as Bells and Ribbons.

The judge of the competition was charmed by the submission of the sensory sticks, and explained how the sensory sticks appealed to all senses, and was exciting to explore. Congratulations to Angela, our lovely residents who took part in the competition!

What is The Horticultural Society?

The Horticultural society is a group which takes part in shows and competitions based on cookery, photography, craft, plants, and flowers. They serve the 3 villages of Betchworth, Brockham, and Buckland. Both adults and juniors can take part in these fun activities and shows!

QUIZ

Members of the Broome Park Support Group, their families and friends held a Pub Quiz at the Red Lion Betchworth on 10th October. All places in the teams were filled and they raised £475.00 which will be donated to The Friends of Broome Park Charity.

A quote from a relative who attended: "It was a really good evening. The most fun I've ever had at a quiz!!".
